

SMS Consent

VlinkPay may send transactional SMS messages related to your account, card purchases, order status, and delivery notifications.

How you opt in

To receive SMS updates from VlinkPay, users provide their mobile phone number on the website during account registration or purchase and must actively check the consent box below.

☐ I agree to receive transactional SMS messages from VlinkPay related to my account, purchases, card status, and delivery notifications.

Message frequency may vary. Message and data rates may apply. Reply STOP to unsubscribe. Reply HELP for help.

Consent is not a condition of purchase. VlinkPay does not use this toll-free number for marketing or promotional SMS.
