Important: This document is drafted for click-wrap acceptance. Members must actively check the agreement box before purchase, activation, or use of benefits.

1. Acceptance of Terms

By checking the box, clicking "Agree & Purchase Franchise License NFT", completing payment, receiving the NFT code, activating the NFT, or using any related benefits, you confirm that you have read, understood, and agreed to these VLINKPAY LLC Member Franchise License NFT Terms & Conditions.

If you do not agree to these Terms, you must not purchase, activate, claim, use, transfer, or access any benefits related to the Member Franchise License NFT.

2. Nature of the Member Franchise License NFT

The Member Franchise License NFT is a membership-based digital license issued by VLINKPAY LLC to eligible members.

This license allows the member to access selected VLINKPAY-provided privileges, tools, programs, services, training, technology access, business resources, and ecosystem benefits, subject to VLINKPAY policy, compliance approval, and applicable law.

The Member Franchise License NFT is used as digital proof of license access within the VLINKPAY ecosystem.

This license does not automatically create a traditional franchise relationship unless a separate written franchise agreement is signed by VLINKPAY LLC.

The Member Franchise License NFT is not stock, not equity, not a security, not a passive investment contract, not ownership in VLINKPAY LLC, and not a guarantee of income, profit, resale value, or business success.

3. License Privileges

Depending on the package purchased, member status, compliance approval, and VLINKPAY policy, the Member Franchise License NFT may provide access to the privileges described below.

3.1 ATM Processing

The member may be eligible to participate in approved VLINKPAY ATM Processing activities and may earn from qualified global transactions.

All ATM Processing privileges are subject to VLINKPAY approval, compliance requirements, transaction qualifications, system availability, and applicable laws.

VLINKPAY may limit, suspend, modify, or revoke ATM Processing access if required for compliance, security, risk control, legal, operational, or business reasons.

3.2 Affiliate Rewards

The member may be eligible to participate in VLINKPAY's approved affiliate rewards program and receive bonuses, commissions, or rewards according to VLINKPAY's official compensation plan.

Affiliate Rewards are not guaranteed. Eligibility may depend on member activity, qualification level, valid transactions, compliance status, program rules, and VLINKPAY approval.

The member may not make false, misleading, exaggerated, or unauthorized income claims regarding Affiliate Rewards.

3.3 Gift Card Issuance

The member may receive access to approved Gift Card Issuance benefits through the VLINKPAY ecosystem.

Gift Card Issuance privileges are subject to VLINKPAY policy, vendor requirements, network rules, product availability, compliance approval, and applicable law.

VLINKPAY may change, limit, suspend, or update Gift Card Issuance benefits at any time due to compliance, vendor, technical, network, or business requirements.

3.4 Institutional Access

The member may receive selected VIP privileges, global node access, institutional-level resources, business tools, ecosystem opportunities, or other access made available by VLINKPAY.

Institutional Access does not mean the member becomes an institutional investor, broker, dealer, financial advisor, officer, employee, shareholder, or legal representative of VLINKPAY LLC.

All Institutional Access privileges are subject to availability, eligibility, compliance review, VLINKPAY policy, and applicable law.

3.5 Crypto Card / Digital Card Access

The member may receive access to approved VLINKPAY crypto card, digital card, virtual card, or card-related services, subject to availability, eligibility, issuer approval, card network rules, compliance review, KYC/KYB requirements, geographic restrictions, and applicable law.

Where applicable, VLINKPAY may waive the VLINKPAY card issuance fee for eligible members.

This waiver applies only to the card issuance fee charged by VLINKPAY and does not include third-party fees, card issuer fees, card network fees, bank fees, foreign exchange fees, ATM fees, reload fees, replacement card fees, inactivity fees, blockchain network fees, gas fees, or other external fees unless expressly stated in writing by VLINKPAY.

VLINKPAY may modify, limit, suspend, discontinue, or revoke card access or card-related benefits at any time due to compliance requirements, issuer requirements, network rules, vendor changes, security concerns, legal requirements, or business reasons.

The member understands that card access is not guaranteed and may require additional approval, identity verification, wallet verification, and acceptance of separate cardholder agreements or issuer terms.

4. Payment and Purchase

The member agrees to pay the full purchase price shown at checkout.

All payments are final and non-refundable unless otherwise required by law or expressly approved in writing by VLINKPAY LLC.

VLINKPAY may reject, cancel, suspend, or revoke the purchase or license access if payment fails, a chargeback occurs, fraud is suspected, the member provides false or incomplete information, the member fails verification, the member violates these Terms, the transaction violates VLINKPAY policy or applicable law, or the purchase creates compliance, security, legal, operational, or reputational risk.

5. NFT Code, Token ID, and Activation

After successful purchase, VLINKPAY may issue a unique NFT code, token ID, digital certificate, blockchain record, or account-based license record connected to the Member Franchise License NFT.

The member is responsible for securing their wallet, account, login credentials, private keys, email, device, password, and access information.

VLINKPAY is not responsible for losses caused by lost private keys, lost wallet access, user error, wrong wallet address, phishing, hacking of the member's account, device, wallet, or email, unauthorized access caused by the member's failure to secure credentials, or third-party wallet, blockchain, network, or exchange issues.

6. Mandatory 12-Month Non-Transfer Period

The Member Franchise License NFT is subject to a mandatory 12-month non-transfer period starting from the original purchase date or activation date, whichever occurs first.

During the first 12 months, the member may not sell, transfer, assign, gift, pledge, lease, sublicense, swap, dispose of, or otherwise transfer the NFT or related license rights to another person or entity without prior written approval from VLINKPAY LLC.

Any unauthorized transfer during the 12-month non-transfer period may result in suspension of license benefits, cancellation of member privileges, loss of access to VLINKPAY programs, rejection of the transferee, permanent termination of the license, and other remedies available to VLINKPAY.

7. Transfer After 12 Months

After the 12-month non-transfer period, the member may request to transfer the Member Franchise License NFT, subject to all of the following conditions: the member account is in good standing; no unpaid fees, chargebacks, disputes, fraud claims, or compliance violations exist; the proposed transferee completes all required KYC, KYB, wallet verification, background check, or compliance review; the proposed transferee accepts the then-current VLINKPAY Terms & Conditions; the transfer complies with VLINKPAY policy and applicable law; VLINKPAY approves the transfer if approval is required; any applicable transfer fee is paid; and the NFT or license record is transferred through an approved method.

VLINKPAY reserves the right to reject any transfer for compliance, fraud prevention, legal, operational, reputational, financial, security, or brand protection reasons.

8. No Guaranteed Income, Profit, or Resale Value

The member understands and agrees that purchasing the Member Franchise License NFT does not guarantee income, profit, commission, bonus, customer volume, business success, resale value, appreciation in NFT value, return on investment, or recovery of purchase cost.

Any earnings, rewards, commissions, or business results depend on many factors, including member activity, compliance status, market conditions, customer demand, business effort, VLINKPAY rules, valid transactions, and applicable laws.

The member should not purchase the Member Franchise License NFT solely for speculation, investment return, resale profit, or passive income.

9. Member Eligibility, KYC, KYB, and Compliance

VLINKPAY may require the member and any future transferee to complete identity verification, KYC, KYB, background checks, wallet verification, tax documentation, business verification, sanctions screening, AML review, fraud prevention review, or other compliance requirements.

The member agrees to provide true, accurate, current, and complete information.

VLINKPAY may deny, suspend, restrict, or terminate access if the member fails verification, provides false or misleading information, is located in a restricted jurisdiction, appears on a sanctions list, engages in suspicious activity, violates AML, KYC, KYB, fraud prevention, consumer

protection, or other compliance rules, or creates unacceptable risk for VLINKPAY, its members, customers, vendors, or partners.

10. Prohibited Activities

The member agrees not to use the Member Franchise License NFT, VLINKPAY platform, VLINKPAY brand, or any related benefit for fraud, money laundering, terrorist financing, sanctions evasion, illegal financial activity, unauthorized money transmission, misrepresentation, consumer deception, unauthorized resale, false income claims, market manipulation, abuse of VLINKPAY systems, unauthorized use of customer data, circumvention of the 12-month non-transfer period, or any activity prohibited by VLINKPAY policy or applicable law.

11. Brand and Intellectual Property

All VLINKPAY names, logos, trademarks, trade names, service marks, systems, software, business models, training materials, documents, designs, videos, marketing content, compliance procedures, technology, and other materials remain the exclusive property of VLINKPAY LLC or its licensors.

The member may only use VLINKPAY intellectual property as expressly approved by VLINKPAY.

The member may not copy VLINKPAY materials, modify the VLINKPAY logo or brand identity, register similar trademarks, domains, social media names, or business names, misrepresent ownership of the VLINKPAY brand, use the brand for unauthorized business, or continue using VLINKPAY materials after suspension or termination.

12. Marketing and Public Statements

The member may only use VLINKPAY-approved marketing materials, statements, images, videos, brand assets, and promotional content.

The member may not make false, misleading, exaggerated, or unauthorized claims about guaranteed income, investment returns, NFT resale value, legal status, government approval, VLINKPAY partnerships, financial products, crypto, trading, or investment benefits, franchise ownership, or any benefit not officially approved by VLINKPAY.

13. Technology Access

If the Member Franchise License NFT provides access to any VLINKPAY app, dashboard, portal, wallet, CRM, POS, payment system, gift card system, ATM system, node system, card system, or other technology platform, the member agrees to use such technology only for authorized purposes.

The member may not share login credentials, bypass security controls, manipulate data or transactions, create unauthorized integrations, reverse engineer the system, interfere with platform operation, access data without authorization, or use the platform for illegal or unauthorized transactions.

14. Taxes

The member is solely responsible for all taxes, reporting, filings, accounting, and recordkeeping related to the purchase, ownership, use, sale, transfer, rewards, commissions, or other benefits connected to the Member Franchise License NFT.

VLINKPAY does not provide tax, legal, financial, or investment advice.

The member should consult their own tax, legal, financial, or business advisors before purchasing, using, or transferring the Member Franchise License NFT.

15. Independent Member Relationship

The member is an independent member participant and is not an employee, partner, shareholder, officer, director, legal agent, broker, dealer, financial advisor, or legal representative of VLINKPAY LLC.

The member has no authority to bind VLINKPAY, sign contracts on behalf of VLINKPAY, collect money on behalf of VLINKPAY unless expressly authorized in writing, or make promises on behalf of VLINKPAY.

16. No Securities or Investment Advice

The Member Franchise License NFT is intended to provide access to selected member license privileges and VLINKPAY-provided benefits.

VLINKPAY does not offer this NFT as stock, equity, securities, investment contract, profit-sharing interest, debt instrument, or ownership interest.

Nothing in these Terms should be considered investment advice, financial advice, legal advice, tax advice, or a recommendation to buy, sell, hold, or transfer any digital asset.

17. No Traditional Franchise Relationship Unless Separately Approved

The Member Franchise License NFT provides access to selected member license privileges only.

Purchasing this NFT does not automatically grant the member the right to open a physical VLINKPAY franchise location, appoint sub-franchisees, represent VLINKPAY as a legal franchise operator, or operate as an official VLINKPAY branch.

Any traditional franchise relationship, physical location rights, territory rights, official branch rights, or sub-franchise rights must be approved separately in writing by VLINKPAY LLC and may require additional agreements, compliance review, legal documentation, and regulatory disclosures.

18. Privacy and Data Use

The member agrees that VLINKPAY may collect, store, review, and process information related to the member's account, purchase, wallet address, identity verification, transaction records, compliance review, device information, IP address, and acceptance of these Terms.

VLINKPAY may use this information for account administration, fraud prevention, compliance, security, tax reporting, legal obligations, dispute resolution, and enforcement of these Terms.

The member agrees to comply with VLINKPAY's Privacy Policy and any applicable data protection requirements.

19. Suspension or Termination

VLINKPAY may suspend, restrict, revoke, or terminate the Member Franchise License NFT benefits if the member violates these Terms, provides false information, fails KYC, KYB, or compliance review, conducts fraud or suspicious activity, attempts unauthorized transfer during the 12-month non-transfer period, damages VLINKPAY's brand or reputation, misuses VLINKPAY systems, technology, intellectual property, or data, makes unauthorized income, investment, franchise, or legal claims, violates applicable law, or creates risk for VLINKPAY, members, customers, vendors, or partners.

Upon suspension or termination, the member must immediately stop using all VLINKPAY benefits, brand materials, systems, tools, and license privileges.

Suspension or termination does not waive any unpaid fees, chargeback claims, legal claims, indemnification obligations, or compliance obligations.

20. Changes to Benefits and Terms

VLINKPAY may update, modify, add, remove, suspend, or discontinue any benefits, features, programs, technology access, compliance requirements, transfer procedures, or operating rules at any time.

VLINKPAY may update these Terms from time to time.

Continued use of the Member Franchise License NFT or related benefits after updates means the member accepts the updated Terms.

For material updates, VLINKPAY may require the member to review and accept the updated Terms before continuing to use certain benefits.

21. Limitation of Liability

To the maximum extent permitted by law, VLINKPAY LLC shall not be liable for indirect, incidental, special, consequential, punitive, or lost-profit damages arising from purchase of the Member Franchise License NFT, use or inability to use the NFT or benefits, suspension or termination, market value changes, blockchain or wallet issues, technology outages, unauthorized account access, transfer restrictions, business losses, member's violation of law or policy, or third-party vendor, wallet, blockchain, payment processor, issuer, card network, or network issues.

22. Indemnification

The member agrees to defend, indemnify, and hold harmless VLINKPAY LLC, its officers, directors, managers, employees, contractors, affiliates, partners, vendors, and representatives from any claims, damages, losses, liabilities, penalties, fines, costs, or expenses arising from the member's use of the NFT or benefits, violation of these Terms, violation of law, false or misleading claims made by the member, unauthorized use of VLINKPAY brand or materials, fraud, negligence, misconduct, unauthorized activity, disputes between the member and any third party, or the member's tax, business, employment, licensing, or compliance obligations.

23. Force Majeure

VLINKPAY shall not be responsible for delay, failure, interruption, or inability to provide services or benefits caused by events beyond its reasonable control, including natural disasters, government actions, regulatory changes, war, terrorism, cyberattacks, blockchain network failures, technology outages, banking interruptions, issuer or card network interruptions, vendor failures, payment processor issues, market disruptions, or other force majeure events.

24. Governing Law and Dispute Resolution

These Terms shall be governed by the laws of the State of Texas, without regard to conflict of law principles.

The parties agree to first attempt to resolve any dispute through good-faith negotiation.

If the dispute cannot be resolved, any legal action, mediation, arbitration, or court proceeding related to these Terms, the Member Franchise License NFT, or any related VLINKPAY benefits shall be brought in Harris County, Texas, unless otherwise required by applicable law or a separate written agreement signed by VLINKPAY LLC.

Governing Law: State of Texas. Venue: Harris County, Texas.

25. Entire Agreement

These Terms, together with any official package description, VLINKPAY policies, checkout disclosures, compliance rules, user agreement, privacy policy, and written addendum, constitute the entire agreement between VLINKPAY LLC and the member regarding the Member Franchise License NFT.

If there is a conflict between marketing materials and these Terms, these Terms shall control.

26. Severability

If any provision of these Terms is found to be invalid, illegal, or unenforceable, the remaining provisions shall remain in full force and effect.

The invalid or unenforceable provision shall be modified to the minimum extent necessary to make it valid and enforceable.

27. User Acknowledgment

By checking the acceptance box, purchasing, activating, or using the Member Franchise License NFT, the member acknowledges and agrees that: I have read and understood these Terms; I understand this NFT is a member license access product; I understand this NFT is not stock, equity, security, or ownership in VLINKPAY LLC; I understand there is no guaranteed income, profit, bonus, resale value, or business success; I understand this NFT cannot be transferred during the first 12 months unless approved by VLINKPAY; I understand transfer after 12 months is subject to VLINKPAY policy, compliance review, and applicable law; I understand purchasing this NFT does not automatically create a traditional franchise relationship; I understand I am responsible for my wallet, account, taxes, legal obligations, and business activities; and I agree to comply with all VLINKPAY rules, policies, and applicable laws.
