

IOU Network Bonus – Updated Policy Effective December 1, 2025

1. Previous IOU Policies No Longer Valid

Starting from 00:00 on December 1, 2025, all previous IOU benefits and mechanisms including:

- Sponsorship IOU Packages
- Referral Rewards
- Tier/Level Mechanisms
- All prior reward structures

→ Will officially become invalid. The system transitions to the New IOU Policy.

2. Requirements to Receive Sponsorship Packages After December 1, 2025

Members must meet BOTH conditions:

- (1) Enroll in the NEW PACKAGE (effective after December 1, 2025)
- (2) Hold an active Franchise License

→ Only members who have BOTH the New Package + Franchise License receive full benefits.

3. Referral Rewards (Effective December 1, 2025)

Referral rewards are no longer based on old packages. They will now depend on:

- Current Package Status (upgraded or not)
- Franchise License Status (active or not)

4. Case: Sponsor Does NOT Upgrade & Does NOT Have a Franchise License

If:

- F1 joins the new package after December 1, 2025
- F0 (sponsor) does NOT upgrade before F1 AND does NOT hold a Franchise License

→ F0 is NOT eligible to receive referral rewards.

Old benefits are not carried over.

5. Requirements to Receive Maximum Benefits After December 1, 2025

Members must:

- ✓ Upgrade to the New Package
- ✓ Hold an active Franchise License

→ All rewards and downline benefits will be activated under the new IOU policy.

Quick Summary:

- Old IOU policy ends December 1, 2025
- To receive full rewards → New Package + Franchise License
- If F1 upgrades before F0 → F0 receives no reward
- No upgrade + no franchise → no benefits
